

Loving on the elderly persons in Kamuli District on 27th December was the highlight of our year! Through our EPSE – Elderly Persons Social Event, we reached out with medical care, basic home supplies, clothes and listening ears. Sometimes, all they need is someone to talk to. Old age can be lonely!

Q4: OCT – DEC 2024

On 1st November, we celebrated our 1st anniversary as a fully - fledged NGO.

The GSF Strategic Plan for 2025 – 2034 was approved by the Board in November ✓.

EPSE: We wound up the year by spending a day with the elderly persons in Balawoli, Kamuli District. Their needs include failure to afford balanced meals, arthritis, eye defects, joint pain and dealing with some unruly grand-children.
